RE: Late post-general report for C00534016  
FEC MAIL CENTER

Sir or Madam,

I received an auto-email from your office, notifying me that the post-general election report from our committee had not been received by your office.

I was unaware that we needed to file the report, and am sending it now. [It is enclosed.]

Our committee has still not received or disbursed any funds. I have entered "zeroes" in all of the appropriate boxes, as I did in all of the previous reports.

Yours very truly,  
John P. Hilt, Treasurer  
John P. Hilt
